Hi ya Naughty
I don't know if I should
write to you. You won't even
tell me a story. Just as bad as
that ring. Don't kid me. Maybe
you can give an oration but you can't kid
me. Incidently; congrats on your oration at State.
I guess it'll wind up. Best of luck to you Ethel.
Be a good kid.
-Ozzie

Dear Ethel
Its really been swell knowing you.
Boy you better take it easy on Rog. Now you guys

Dear Ethel

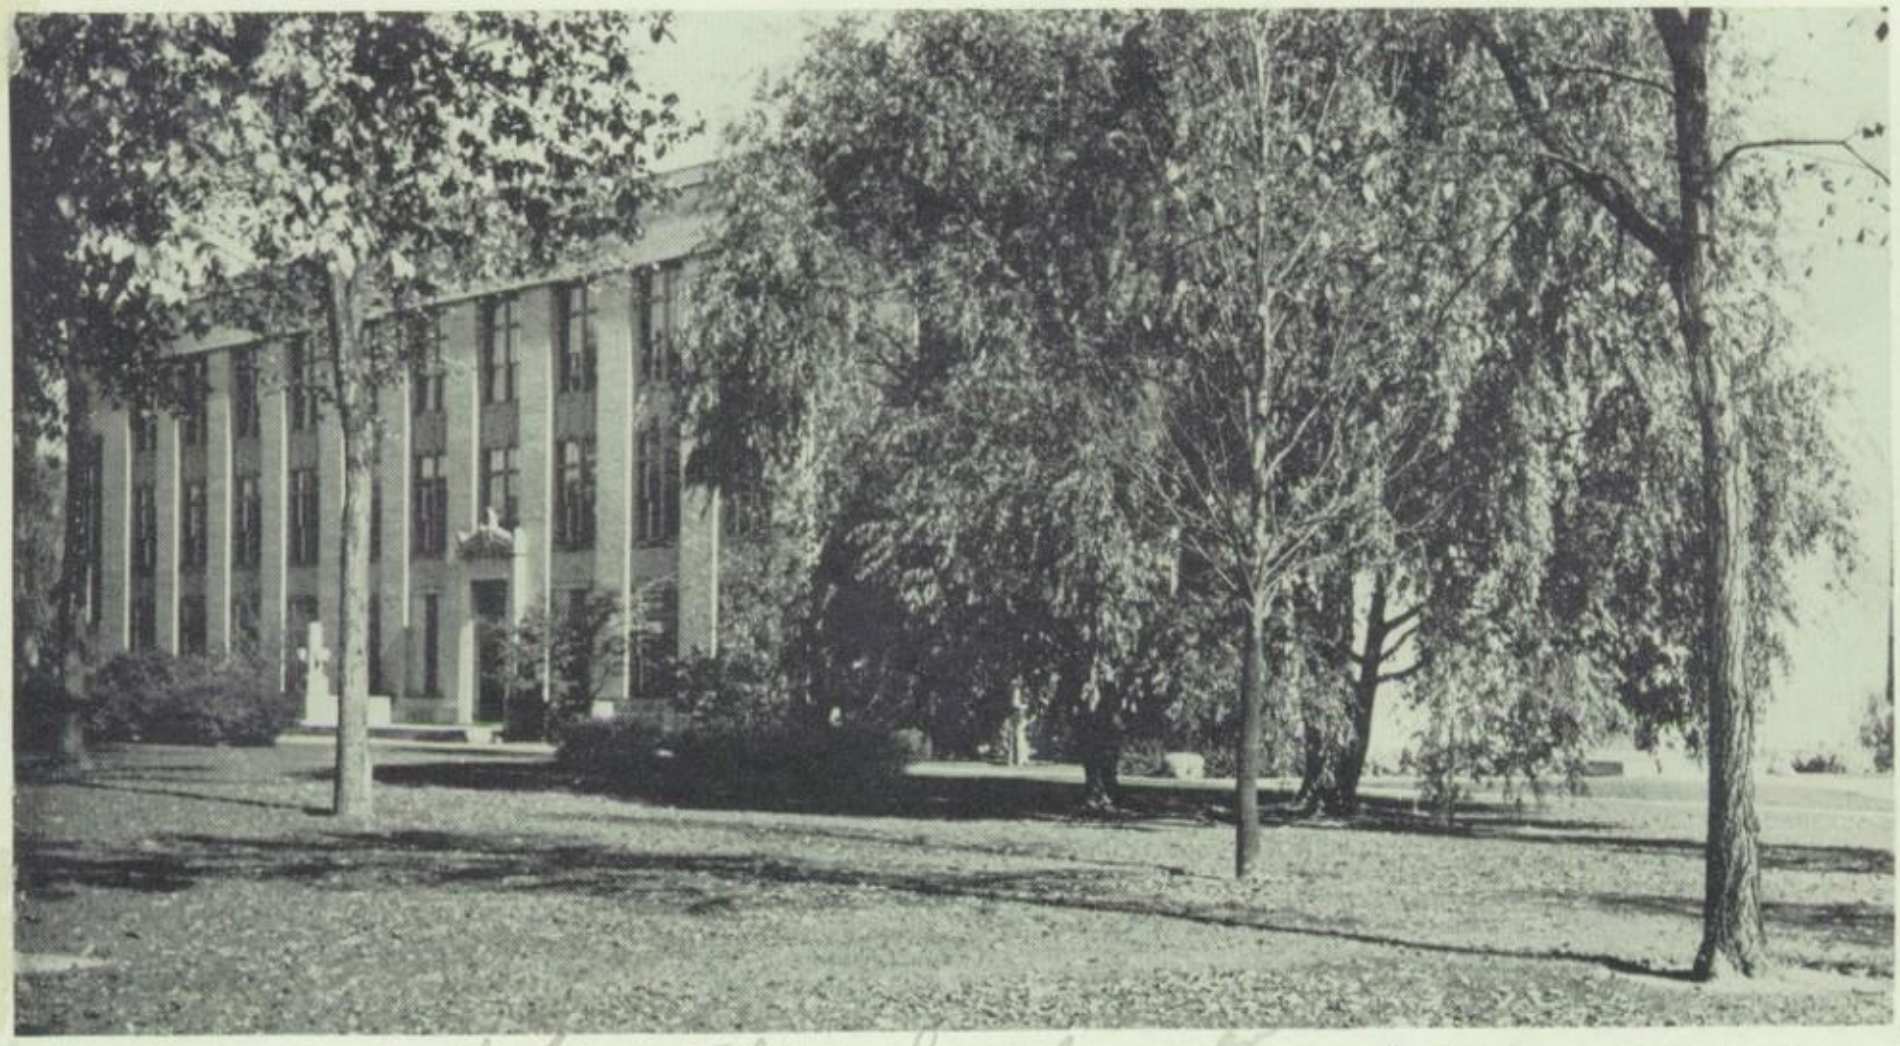
You look so sweet in your new pink dress — and think, this is almost the end of all our wonderful times! Phil leaves tomorrow, the rest of us very shortly.) Parting is always sad, especially when we've had so much fun — all the banes, formals, parties, and gab fests. Those slumber (less) parties were really quite the thing. The trip tomorrow should really be fun (?). Just so it doesn't rain!! One thing I'll never forget is your driving, particularly before that Date Dance. It really came in convenient when the fellows from Dartmouth were here, eh? It will really seem strange going back to the initiation as Alumnis won't it? Have fun with Dick!! Take good care of Roger and all those men at Point. Be sure and write to me. "Best of luck" and all that sort of stuff to a swell gal. You really deserve it.

all my love,

Nancy



Dear Ethel,
It was nice seeing you in choir. Best of luck to someone who is very ambitious.

THE AMERICAN WAY OF LIFE

What My Constitution Gives To Me

The Constitution is to me, the contract for my liberty.
It gives me Freedom, Freedom, Freedom.
Freedom of speech, religion, and press,
Freedom to use what I honestly possess.
Freedom to study, to live, and to learn.
For these freedoms, most foreigners yearn.
Freedom to dance, or to skate, if I wish,
Freedom to ski, to hunt, or to fish.
Freedom to choose any kind of work,
That of teacher, lawyer, banker, or clerk.
Freedom to laugh, to love, and to share
In any court, a trial fair.
All these, my Constitution gives to me
With its Freedom, Peace, and Security.

THE STUDENT COUNCIL . . .

Serving as mediator between the faculty and students, the Student Council is the most important progressive organization in Lincoln High School. A representative group under the faculty supervision of Miss Frances Nairn, the council is composed of thirteen members of the student body. Twelve are elected each year while the vice-president of the preceding year becomes president thus taking office automatically. Interested in the work of other councils throughout the state, four Lincoln high delegates traveled to Sheboygan, October 20 to attend the two day Wisconsin State Student Council convenion. Our local organization was host to the annual district convention, April 28. Besides their regular Wednesday morning meeting, the council carried out their routine work for the year including the elections, Homecoming management, enforcement of hall ordinance, the winter noon hour program, and the necessary court sessions. Organized for the purpose of training individuals in the pattern of American democratic principles, the Student Council endeavors to solve all their problems in the manner set forth by their community, state, and national governments. Responsibility, initiative, perseverance, and leadership are among the qualities of character acquired from an organization such as the Student Council.

GETTING READY

QUEEN JERRY WIEDEN AND KING EUGENE WOLOSEK LEAD THE GRAND MARCH

AUTOGRAPHS

Dear Ethel
Been swell knowing you.
Lots of luck + success in the future.
Roger Fricker

P.S. You are quite a girl cutie, very nice looking and oh Boy! Lots of fun, extra nice days especially the ones after I met you. I've just had an interruption of thought of about sixty one hours. Maybe I'll be able to start thinking again. I was really blue that night you turned me down when I asked you for a date in the middle of the summer.

I finally did get to know you a little bit better at that high school dances. I really felt swell that night. Then I finally got up the nerve to ask you for a date, the De Molay dance. When you accepted my invitation you said yes, I'd love too. That acceptance really started the date off swell. Sometimes I would sort of day dream and I could hear your voice say that phrase. That was sure a swell way to get my invitation and I do mean swell, the Christmas formal was a heck of a lot of fun although you made me feel pretty westful at once. Then I seen you around quite a bit and managed to meet all of your admirers. I've heard you say that I should say some of your admirers. I've heard you say that Dawn Milke has done some pretty things, I don't know because I don't think she realized it at the time. Because of that one incident wasn't around. But Dawn did me a favor once even though I don't Dawn will always be a friend of mine. Then there were a few incidents, one a really big one. Then came summer and you were pretty sweet once again. But as usual you figured you had to give me the air a couple of times. Then school started again and we had quite a bit of fun together at parties, movies, dances and so on. Then came a respite on my part in which I fooled around with a girl although I never took her out. No worse than some of the antics you've done. A few things happened after that. Then came the Christmas formal and a few other things. The Thespian came along at which you and Mary Ann both showed up. Had no trust whatever in Russ and Dave. But all in all it was a pretty gala affair. Then came the prom and after having one year's experience back of me, I finally got to go with the girl I wanted. Then came graduation and a night I'll never forget. One feel of a lot

DEBATE

Back Row — M. Treutel, C. Pasciak, L. Budahl, S. Bassuener, S. Roeder
Front Row — R. Maxwell, J. Miscoll, J. Berg, H. Kingdon

The debate squad this year was composed mostly of sophomores. However, none of the members had ever had experience in debating before this year. The question facing them this year was "Resolved That the President of the United States be Elected by Direct Vote of the People." With this in mind the squad entered the district tournament at Stevens Point. Here they won four out of six debates making them eligible for the sectional tournament. They only won two out of six in this one, which was very creditable for beginning debaters.

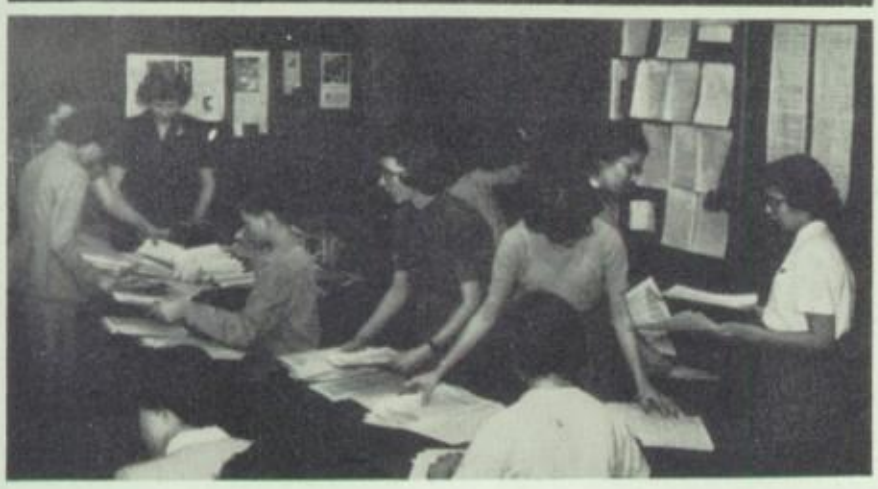
DAY OF ISSUE



Reorganized in 1948 to give the students of Lincoln High School a newspaper which carried the news, LINCOLN LIGHTS is in its second year of mimeographed publication. Numbering 35, the staff members work individually

in the writing, editing and publishing of this bi-weekly paper. Foremost among the objectives of LINCOLN LIGHTS is the promotion of school spirit by informing the students of school news. Underlying this objective are the qualities of character which the active staff member acquires from staff work. Initiative, creativeness, perserverance, dependability, cooperation and individuality — all become a part of a person's character when he engages in newspaper work. For the benefit of added newspaper education, four staff-members and Miss Mary O'Connell, faculty advisor, attended the National Scholastic Press conference in Chicago last fall.

FREEDOM OF ENTERPRISE

Dear Ethel,

D've really enjoyed knowing you through high school and grade school. Roger and you sure have your scraps, but D've seen the two of you very comfortable ! and placeful and happy looking [D think, it was pritty dark] at certain times.

D imagine that we will have tons of fun at graduation night, don't you ? The females of the party will probably fall asleep in a couple of hours, but the boys will help the party going strong.

By the way, what were you doing out on that road by Nekoosa after the Prom.. Gee, D've been hearing some just dreadful stories about that car of Rogers.

Lots of luck, Ethel, and be good.

Ed Jacobson

P.S. all my love to you Roger.

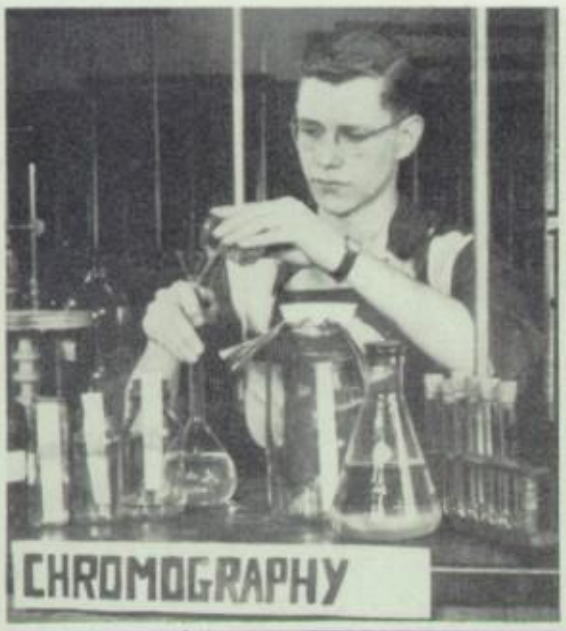
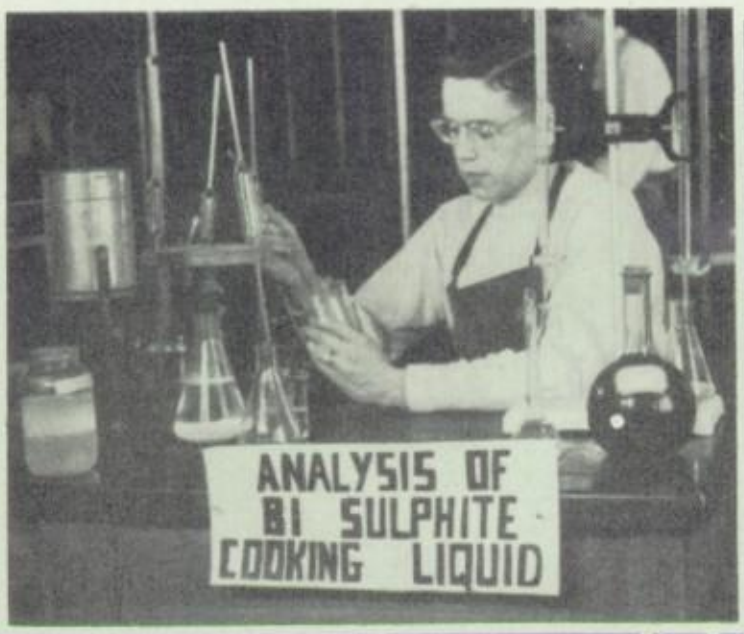
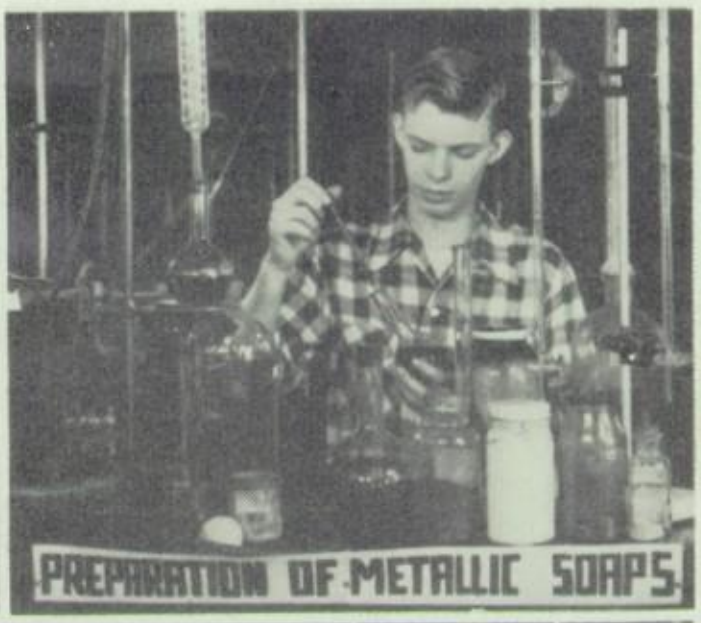
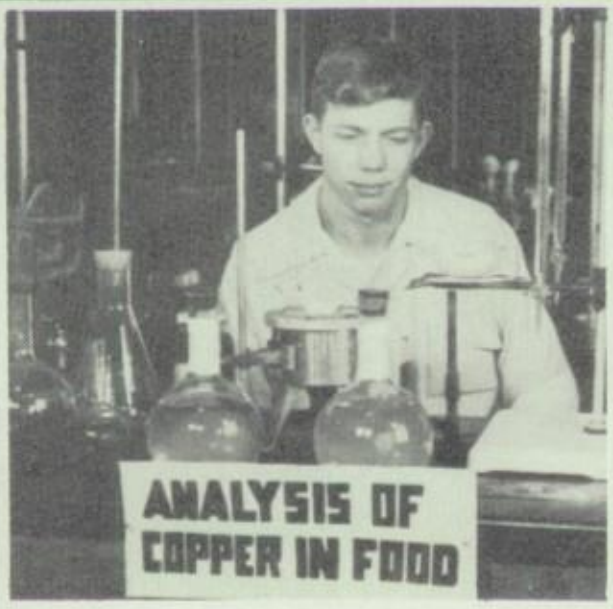
SCIENCE . . . *The Chemistry Club, with Mr. Hornigold as advisor, had many energetic members this year who worked at their individual projects and helped with Homecoming by decorating the goal posts as in the past. Dick Hornigold was elected President of the Club.*

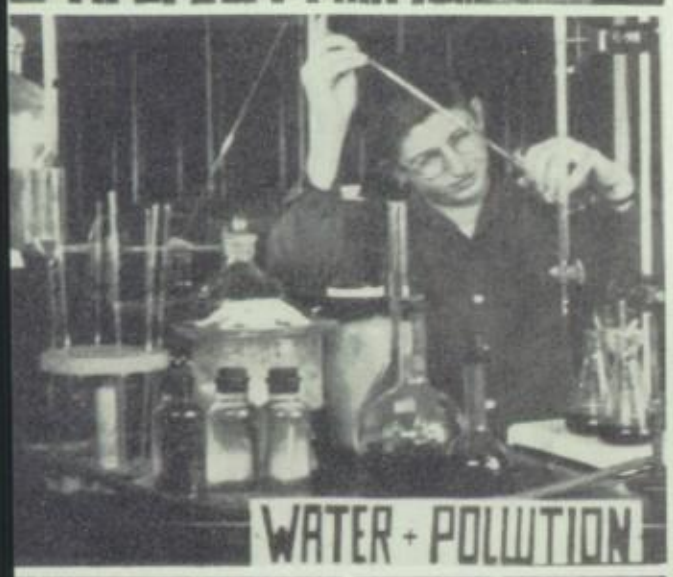
Junior Academy Of Science



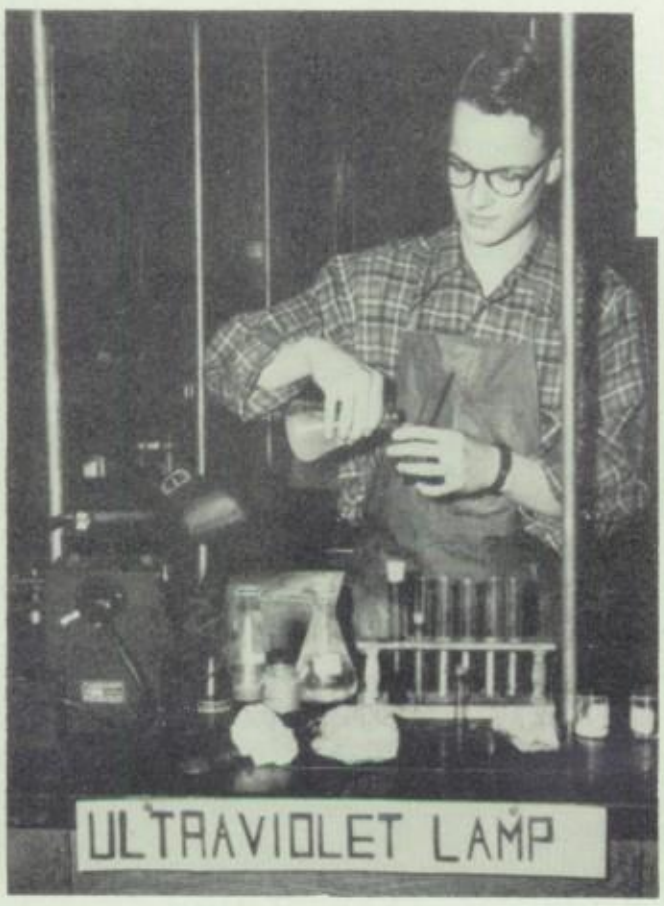


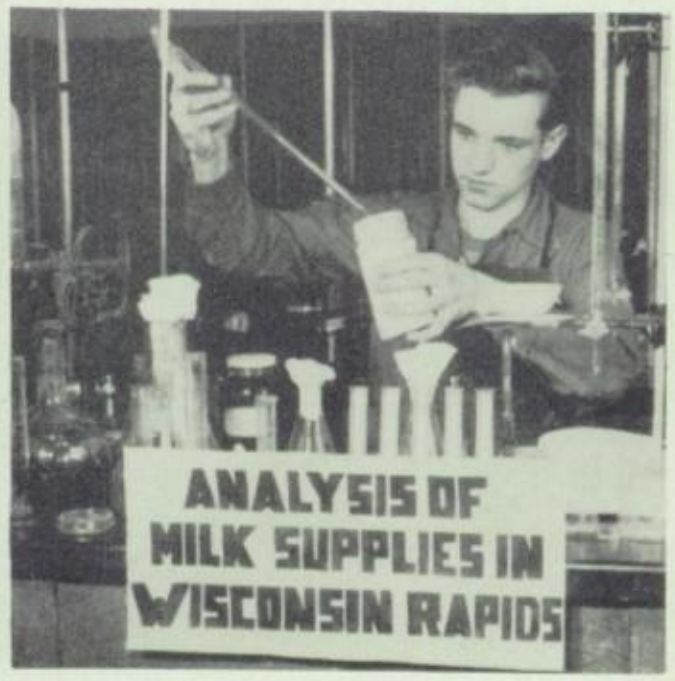






Ten members of the Junior Academy of Science; Gerald Clinton, Dave Smith, Dick Hornigold, Ethel Farris, Dave Denniston, Nancy Oakes, Don Graesser, Wallace Plzak, Edward Oakes and Ken Purdy have spent a great many hours on their projects. In Westinghouse's recent quest for talent, seven Wisconsin students, out of fourteen thousand national participants, received honorable mention for their work. Hornigold, Graesser and Samuelson, from LHS, were among Wisconsin's seven.





CONSERVATION

The Conservation Club, with Larry Hanneman as president, has concentrated its efforts on working and experimenting with trees. They also did a fine job on the bonfire at Homecoming.

A club which has just passed through a most successful season is the Tam and Smock, more commonly known as the Art Club. Members have aided the school in making dance decorations for Homecoming and Prom. Before Christmas some members of the club decorated textiles, head scarves, handkerchiefs, etc. Since Christmas the club has had short "art lessons" which are more entertaining than instructive. They included finger painting, drawing without looking at the paper, designs with colored chalk or paint. Occasionally they have a speaker. The club elected Marjorie Link as its president. The director, and capable supervisor, is Miss Robertson.

SNAPPED ON THE 1949 TRIP

The primary purpose of the geography club is to promote geographical information and interests. Its business meetings are held every second Tuesday, at which there is a guest speaker or picture shown of geographical formations. The club held its annual dinner on Feb. 16, 1950 at the Paper Inn. Besides these activities the club contemplates a two day trip to northern Wisconsin.

LIBRARY CLUB

The library club has done a fine job this year in keeping our Library in tip-top shape. The officers for this year were Alvina Tomczyk, president; Donna Wallock, secretary; and Gladys Arendt, treasurer. The club was originally organized to undertake such tasks as storing magazines, pasting magazines and books, typing new cards, and other odd jobs. Each member was required to put in one hour of work each month. During the year meetings were held in the library where they worked, held a business meeting, and had refreshments.

FRENCH CLUB

The French Club's activities are carried on as a class project. The club has its meetings every other Friday during the regular class period. Oral reports on sections of France are then given by club members. The entire class of ten members belong to the club. In December, the club gave a French dinner. All alumni who were former members of the club were invited. The dinner courses were French, as well as the menu and program. The supervisor is Miss La Perriere.

THESPIAN... This year the Dramatic Club has the largest membership in its history. When a student first joins the club, he is a member of the Dramatic Club only. By directing plays, acting, and working in the many phases of production, a student may earn points. When he has earned a total of ten points, he will become a member of the National Thespian Society. Some of the club's projects this year have been the all-school play, The Thespian Formal, and a series of four Thespian directed one-act plays. Also, one-act plays are given by the freshman, sophomore, junior, and senior classes in four of the bi-monthly meetings. Miss Harriet Schleich is the club's capable faculty advisor.

GAMMA SIGMA

This club is for those students who are musically inclined and enjoy music. Every year new members are taken in; any student wishing to join may try out for it. The old members of the club have to vote them in. Meetings are held bi-monthly. At these meetings they earn points and anyone who earns 24 points or over is eligible for the honor roll.

SWING SHIFTERS

The Swing Shifters are "better than ever before." Their chief aim is to give you entertainment that you like. This organization is composed of members from all classes in school and is one of the few organizations like it in the state. They practice long hours and deserve a lot of credit for their fine work.

They took first place in the valley meet, tenth place in the Midwest Meet, and second place in their division in the state meet. In the Midwest meet held at Janesville, Ed Jacobsen did very well finishing among the first ten and receiving a gold medal for this. In the state meet the Rapids exhibited more fine running with Jacobsen, Bemke, and Abler finishing among the first ten. Letter winners were LaVern Bemke, Ed Jacobsen, Wayne Baldwin, Jim Bicket, Merlin Abler, Dave Smith, Bob McGraw and Robert Bain.*

Dear Ethel,
Just thought I'd send you these pictures and hope to close with you. Best of luck in the future to a little fast Speedie.

FOOTBALL . . . *At the outset of the 1949 football season, little was expected from the Red Raiders, and true, they did not win first place or even second. But they managed to play some interesting football, and their spirit and will to win showed forth more in their defeats by Wausau and Point than in the victories over Merrill and Antigo. Coach Manders did an amazing job with the available material and developed a team which could go places, except for the lack of experienced reserves. His patience with the boys and his determined efforts brought out the best football abilities of his team, the best example being John Mader. Mader showed surprising ability as a ball carrier and outplayed almost every opposing back on offense and stopped many plays from his line-backing position. Bruce Tenpas was outstanding in the line and was named to the All-Conference first team and the All-State third team and at the end of the season was elected the honorary captain.*

BASKETBALL . . . *Not given much chance this season at least not more than a .500 rating the Red Raiders came through in excellent fashion again despite the fact that they had only three returning veterans, Benkowski, Mader and Henke. During the regular season they won seventeen games in conference and non-conference play, losing to Point the No. 1 team in the state twice. In the tournament they won their first two games but lost the final to Point, ending the year with nineteen wins and three defeats.*

Dear Ethel,
as there ain't much room left, I'll write in this corner I don't know what to say, except lots of luck and success in the future

SPRING SPORTS . . .

A bright spot in the spring of '49 was the showing of the Red Raider baseball team as it won its fourth consecutive Valley championship. The Raiders dropped an early season tilt at Marshfield and later on had to battle a stubborn Point team for the right to play Wausau in the play-off. As several players prepred to bow out of high school competition they played a terrific game and won the arc-light fray by a lopsided score. The track team failed to repeat as Valley champs, but they had the satisfaction of beating the Valley winners from Point in the Sectional meet. A little hard luck and some poor weather at Point gave the Golf and Tennis teams a difficult season, but they showed they had ability.

This organization is open to any junior or senior girl in high school. You have probably noticed the club members dressed colorfully in their red skirts, white sweaters and beanies cheering at the games. The big event of the year was the Pep Club Date Dance held on November 19th. The theme was "An Old Fashioned Walk," and music was furnished by The Squires. The senior members of the club also usher at the football and basketball games. The club's advisors are Miss Hass and Miss Rude.

Dear Ethel D (you scoundrel!)

You really do quite the kid (and I don't mean maybe!) I'll certainly never forget all the fun we had with your driving the car. It's sure a wonder we're still alive! You have so much trouble with that thing - it won't shift & then the oil pressure breaks.

Really though we've had so much fun especially this last year, getting our first hells (not boys) & going to the Hoff dance & getting such sore feet - some fun. Then there was all those parties & our big gab sessions. Gad, we can't just list me.

Now there's you & Roger which really is a big subject! What is all this, anyway? Ha Ha. We've really had a lot of fun riding around in his car too. After the prom, though, I must say that I didn't see very much of you. Where were you, Ethel?

Remember all the fun we had at the tournament & going to Fond du Lac? Even though you slipped out again.

Of course I can't forget the play & all the fun we had at Play Practice. Didn't I really peg you on your toes? Remember the Initiation & how you had all the glad cards) arranged so nice? That was pretty tricky! Well, Ethel, so long for now.

Love & Kisses
Sally

P.S. Don't let Roger out of your sight - someone else might nab him. Will have fun all summer & next year at CSTC. Don't let all this good stuff go to your head.
all my love
Sally

XXXXX

Dearest Ethel,

It really has been super knowing you these years. You've been a swell pal, Ethel, and I'm so glad I got in a gang with you. Doesn't it seem awful to think that we'll never see all our classmates again?

Oh yes, I want you to be sure to ask me to your wedding. I suppose that will be any day now. (What's this you just said about 5 kids?) I'm very surprised I lived to graduate - after all those rides! Man!! I feel sorry for the poor husband you'll get. He'll probably get gray very soon because well, I guess you know why.

Wasn't the senior class play fun? You were very good as Susan. The Band & Orchestra trips were loads of fun, too, weren't they? We've really had too many swell times to mention.

I certainly hope we can go a pal to school together next year. I'd like to have you for as long as possible. Even after we part, we'll have to keep in contact with each other.

Well, I'm running out of space now, so I have to quit. Loads of luck and success always in whatever you do, Ethel. You're a grand pal and a swell gal. Take it easy this summer on Roger and the others. Don't try to go with Chiefy now.

Best of luck always.
Love, Carol

Dear Donna

b.

Dear Ethel

Well I guess I can't say classmate to you anymore can I. It really does seem funny that we aren't members of good old Linwood High anymore.

Soon you will be a member of another big place. Next summer you will be talking about all the lovely things of that place like you talked about Linwood. I can just see all the men around your door step from Point. Your Dad will have to have the shot gun + bull dog ready. He He. You know it really seems funny not to link you + Roger together as a couple. We sure have had some good times with this gang haven't we. I get "goosies" when I think that we won't see as much of each other + the gang this winter. But just wait till summer again. Best of luck to You in Your school and

Dear Ethel,

We've really had some swell times this year, haven't we? Especially English and Mary Y, and Chemistry and Duke's cute little remarks. Then there was the Senior Class Play, too. Guess everyone was disappointed in Scene I of Act 3 of that play! Oh-well!

Will see you at that reunion Sunday. Won't it seem funny to be so small a class again? Kinda nice, though! Will most likely see you around and out at the lake this Summer! Be good to Roger. — Believe me, he deserves it!

Best of luck, Ethel!

Love,
Kay Mason

Dear Ethel,
Sure has been nice seeing you again this year. Hope you and Roger have a swell time at the lake this summer. Best of luck in the future.

Dear Ethel,
It was fun seeing you in Orchestra, Salem, Dramatics Club, etc. Too bad all of us are graduating. What'll we do in Dramatics without you kids? Best of luck in the future.
Dear Ethel (Roger)
Sure has been swell knowing you. Best of luck in the future.
